You are welcome to write the names of those you would like to pray for above.

How to use this leaflet

- If celebrating Mass, it would be great if you could invite your congregation to join us in praying for Evangelisation each day by reading the Mass intention and asking them to bring to mind people they want to hold in prayer.
- If attending Mass, you are welcome to write the names of those you are praying for during Mass above and pray the intention for each day.
- The tick box to the bottom left of each day is to tick off each day you have joined in this time of prayer.
