A vision of what we can do to help the parish flourish using the living stones that make up the church, using our talents and gifts to work together through different ministries. Jesus had been calling all of us for a very long time and it's now time to respond to that call"

The tutors' style of teaching is very inspirational and the informal style allows for input from students, and joint discussion. Venue is spacious and lunch is good and adequate for all"

Programme Information

The Certificate in Parish Mission and Ministry (CPMM) course consists of four modules, with specially prepared course books for you to study and learn at home. There are two study days, which provide you with interesting seminars, interactive discussions, and opportunities to meet like-minded people from different parishes, as well as the staff who will facilitate and support your study.

The course begins with two Mission modules, providing the rationale in scripture and Church teaching for all the baptised to share in the mission and ministry of Christ by fully engaging with their parishes and local communities. Three further Ministry modules consider the various groups that any parish would seek to care for, namely, young people, the elderly, the sick and vulnerable, and families.

- The Mission of the People of God
- The Parish: Church Without Walls
- The Ministry of Compassion
- Ministering to Families and Young People
