

## WESTMINSTER DIOCESE LOURDES PILGRIMAGE POLICY STATEMENT

### SAFEGUARDING ALL PILGRIMS

***The Pilgrimage Director has asked that all pilgrims familiarise themselves with the following statement***

As Christians, perhaps the most fundamental principle that governs our lives is that of loving and respecting our fellow human beings. Within this principle, we are keenly aware of the need to ensure and promote the wellbeing of those in our society who are most vulnerable.

The Westminster Diocese Lourdes Pilgrimage (WDLP) takes seriously its responsibility to protect the wellbeing of children, young people and vulnerable adults, and is committed to ensuring that the pilgrimage provides a safe and caring environment for them. It is vitally important that each of us who has contact with children, young people or vulnerable adults do all that we can to protect them from abuse and maltreatment, and to promote a safe environment for them. The WDLP is committed to establishing high standards of practice in accordance with diocesan safeguarding procedures.

The WDLP is a community, journeying together, and each person on our pilgrimage has the right to expect that they will be treated with respect in a loving, caring atmosphere.

- Take the disclosure seriously.
- Allow the person to speak without interruption, accepting what they say. Do not investigate.
- Listen carefully and do not ask questions which lead or suggest an answer to the person.
- Try to alleviate any negative feelings but do not pass judgement.
