4. After I complete my training what do I need to do?

You are required to renew your training and DBS every 3 years. If you change roles, make sure you have the right level of DBS to carry out your new role. Speak to your PSR for more information.

Frequently Asked Questions

1. I don't have an email or internet access how do I do the training?

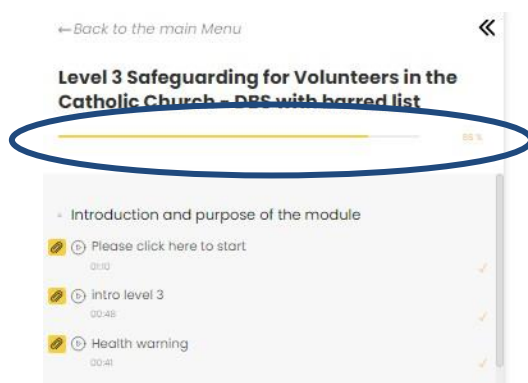

Speak to your Activity Lead, parish office or PSR for further assistance or contact the Safeguarding Service on 020 7798 9352 (option 4).

2. How do I check on my progress?

- A. Your home screen will display the courses you are enrolled on. The progress bar underneath each course will show the percentage you have completed so far

- B. In the training module you can open up the sidebar (to the left) to see the remaining modules and the approximate length of time remaining

3. How much time do I need to complete the training?

The Safeguarding Course should take approximately one-hour - each course gives a time estimate on the course landing page

4. Do I need any specific software or equipment for the training?

No - the training will work on desktop computers, laptops, tablets, and smartphones and requires internet access

5. Can I access the course content offline?

No - the LMS platform is hosted online only and can be accessed through the main CSSA website (Catholic Safeguarding Standards Agency)

6. If I have questions or encounter difficulties during the course, who should I contact?

If you are having technical issues or problems accessing the LMS please email the CSSA training team at: training@catholicsafeguarding.org.uk

7. Do I have to finish the training in one sitting?

All training available on the LMS platform is self-paced. You can stop and restart the module as needed. The system will keep track and save your progress

8. Are there any assessments during the training?

Yes - there are 10 multiple choice questions. To pass and achieve your certification, you must obtain at least 80%. You are able to review your answers at the end

9. Will I receive a certificate upon completing the training?

Yes - on completion of the course successfully, you will automatically receive a certificate which you can download and print/save.

10. How often are the courses updated?

The content is reviewed by the CSSA regularly to ensure that it meets the required standards and recent changes in legislation and good practice. The learning modules are in the process of being accredited by CPD (Continuing Professional Development) bodies.

11. I manage a team of volunteers is there anything additional I need to know?

Yes! Be sure to encourage all volunteers to complete safeguarding training and (if required) renew their DBS every 3 years. The parish is responsible for keeping a register of training for non-DBS volunteers, we have resources on our website to help if needed:
