

Autumn 2026 Faith Sharing Booklet

We Dare to Love, our most recent Faith Sharing Resource, explores the essential truth of God's love and its part in our lives. As God's first gift, and the motivation of Jesus' ministry, in this resource we help the reader reflect on how God's perfect love can impact our lives in significant ways. We are invited to first receive His perfect, merciful and unconditional love for each of us and reminded of the gifts God has given us, which enable us to relate to Him and then to love.

Using scripture, story, prayer and reflection, each following session then helps us to delve into how, through His cross and resurrection, Jesus enables us to live in harmony with God, self, others and nature. The last session touches on the wisdom of St Francis, still inspiring us some 800 years after his death. Most importantly, it reveals how, by allowing the Holy Spirit, the Spirit of true love, to move in our hearts, we can experience Jesus' desire for us to live life to the full, even in our sometimes, complicated lives.
